

ADDENDUM NUMBER 2
DESIGN-BUILD FOOD TRUCK PARK
PROJECT NUMBER: DDA-2025-01
04/03/2025

The following changes, modifications, and/or clarifications to the project documents or a part, thereof, and change the original documents only in the manner and to the extent stated.

- 1. Electrical plans are not required to be stamped by a professional engineer unless otherwise required per the National Electrical Code or Georgia Law.**
- 2. Walking areas from the central gathering area to individual food truck spaces shall be ADA compliant. It is anticipated this can be accommodated with an unpaved surface, but will be designed and determined at the discretion of the DB Team working with the Owner.**
- 3. Consideration shall be given to the future placement of outdoor furniture, but it is not within the scope of this RFP for furniture to be sourced or supplied.**
